

Loop Schedule Worksheet

Loop 1	Loop 2	Loop 3	Loop 4	Loop 5
Example: Poetry (10) Bible (15) Folk Song (10) Family Read (20) Memory Work				

1. Gather a list of all the subjects you want to “loop.”
 2. Estimate how much time each requires. Divide longer subjects into multiple loops.
 3. Think about frequency of subjects (i.e. do you want Bible daily?)
 4. Arrange subjects into groupings of approximately the same time length and for variety.
- Note: You may not use all 5 loops.
